## Who is Eligible for Our Services?

---

All Avery County residents are eligible to receive services through Volunteer Avery County, but priority is given to those with an unforeseen crisis (such as a house fire or injury), those on limited incomes, the elderly and families with children living in the home.

Applicants must provide financial information and work with the Volunteer Avery County Coordinator to determine whether there are other sources of help for their particular need.

Volunteer Avery County does not discriminate based upon race, sex, religion, or any other factor.

## How Do We Help?

---

We match people wishing to volunteer with an opportunity to help an individual or a family or an organization in need of assistance.

We provide funds and resources to meet emergency needs that cannot be provided by any other agency or organization. We are there for those needs that fall between the cracks but are still basic needs.

Examples of services include providing fire wood or emergency fuel, clothing, food, repairs to homes or vehicles, and some educational and healthcare needs.

## Where do Our Funds Come From?

---

We are funded entirely by the communities that we serve. Churches, civic organizations, individuals and private foundations are all donors that regularly provide our support.

## How Can I Apply for Help?

You must apply in person.
